2015 ANNUAL REPORT

MESSAGE FROM THE BOARD CHAIRMAN

2015 was a very successful year for 20 Pearls Foundation, Inc. We increased our funding through the generosity of many of our partners, corporate sponsorships, a grant and individual donors. In May we were able to solicit sponsorships of over \$10,000 for our partner, the Theta Theta Omega Chapter of Alpha Kappa Alpha Sorority's scholarship program.

We were pleased to receive a Nevada State Humanities Grant. This grant enabled the Foundation to present a Lecture Forum in conjunction with Theta Theta Omega Chapter's 50th Year Celebration. The Lecture Forum entitled, "The State of Affairs Concerning Equality in the Justice System", was held on the University of Nevada's Las Vegas campus. We want to thank our guest speaker, Johnnie B. Rawlinson, Circuit Court Judge of the U.S. Court of Appeals for the Ninth Circuit, for a very informative message. We are also grateful to the panel, Judge Nancy Allf, Justice Elissa F. Cadish, and North Las Vegas City Attorney Sandra Douglas Morgan. A special thanks to Berna Rhodes-Ford, Esq., for facilitating the panel; it was a tremendous success. The audience requested that the foundation continue providing similar Lecture Forums.

In 2015, 20 Pearls Foundation was also successful in generating funds through fundraising partnerships and individual contributions which are now used for scholarships and book grants for college bound students. As a result of the many generous contributions, we were able to award \$9,500 in scholarships and \$800 dollars in book grants to deserving high school graduates. Our Foundation projects include the following; Foundation Fellows campaign, and Macys' Shop for a Cause Charity Shopping Day in the month of October.

A special thank you goes to the Nevada State Bank; one of our major donors, for their generous contribution of \$2500 for scholarships. 2015 was the second year in which we implemented our Perpetual Scholarships Program. Scholarship recipients will receive a \$1000 grant for each year of their four year studies. The perpetual scholarships were provided by six generous private donors. I personally want to thank all of our scholarship donors, for without you, we could not make this positive impact on high school seniors.

This was the first year that the 20 Pearls Foundation sponsored a "Bayou Classic Viewing Party" fundraiser. Since it was such a success, we are planning on making the Bayou Classic Viewing Party an annual fundraiser. I am very grateful to the committee for their efforts in making this event a success.

Thanks for all of your support in 2015. You have helped us to continue to expand within the greater Las Vegas community. We look forward to your continued participation.

Respectfully,
Carrie Cecilia Peery, Board Chairman
